

SENATOR HALL PRESIDING

SENATOR HALL: The bill is passed. Since it is nine-thirty, we will now move to Item 6, General File, on the agenda. Mr. Clerk, LB 394.

CLERK: Mr. President, I might announce that Senator Lynch would like to have a meeting of the Building Maintenance Committee, 309 Committee, at nine-thirty, Room 2022; Room 2022, nine-thirty, Building Maintenance.

Mr. President, LB 394 has been discussed. It was introduced in January. It was a bill originally introduced by the Speaker at the request of the Governor. (Read title.) The bill was referred to Appropriations, advanced to General File. Committee amendments were offered, Mr. President, on May 16.

SENATOR HALL: Senator Wehrbein, we are still on the committee amendments. Would you like to refresh the collective memory of the body regarding the committee amendments to LB 394.

SENATOR WEHRBEIN: Well, yes, this pays the constitutional officers for...certain state officers for the next biennium and includes...which includes the judges, Supreme Court, Governor, Lieutenant Governor, Secretary of State, and so forth, and we have...where we were left when we quit, or abruptly quit, I guess, was the fact that we have not advanced the bill as it was, and since that time, we have taken another approach to paying the judiciary, the judicial branch, and so I don't know what order the amendments are in up there. I assume that that is what our next step is to do.

SENATOR HALL: Senator Wehrbein, I believe you have an amendment to the committee amendments. Mr. Clerk, can we go to that at this point.

CLERK: Mr. President, Senator Wehrbein has an amendment to the committee amendments, AM2287, Senator, found on page 2327.

SENATOR WEHRBEIN: 2327, did you say?

SENATOR HALL: 2327.

CLERK: That's the Journal page, yes, sir.
